A reading you can return to.

Fill in a PDF viewer that supports forms, save a copy, or print. Notes are not sent to Ask A Card by this file. Keep the saved copy private, especially on a shared or synced device.

Date / situation

One question

Card, orientation and spread position

What I notice in the image

A possible connection - and an alternative

Keep known facts separate from interpretation. A card cannot verify another person's feelings or a future event.

Return with evidence.

Use the same entry after an action or conversation. Record what did not fit as well as what seemed useful. You do not need a new draw to make this note.

One small step within my control

Date to revisit

What actually happened?

What will I keep, adjust or stop doing?

Want a reading prepared around your context?

Compare actual fictional PDF samples and editions before choosing. Personalized readings are separate from this blank worksheet. Final price and delivery terms are on Etsy.
